CO-PRESIDENT COLUMN: Looks Like 2025 Will Be a Busy Year

I have to admit I was looking forward to a laid-back 2025

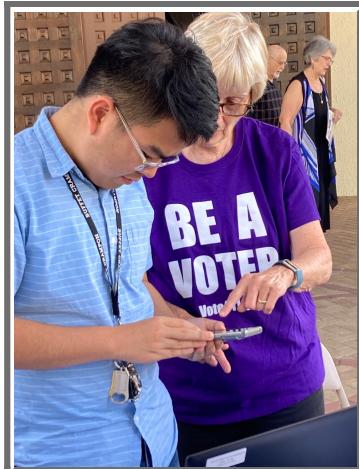

because odd-numbered years rarely feature any federal or state elections. In the tri-county area there are only a few off-year elections at the municipal level. I figured those of us who worked on the 2024 election deserve a little down time, since we covered 117 local candidates, six Florida Amendments, and 30 local ballot initiatives.

Recovery was the plan.

However, 2025 started out with a scramble to host both Democratic and Republican digital forums to cover a special election in Congressional District 6 to replace Representative Michael Waltz. Waltz resigned to become President Trump's National Security Advisor, and the primary was scheduled for January 28. LWVFL contacted us on January 6 to implement the forums to educate voters in Flagler, Lake, Marion, Putnam, St. Johns, and Volusia counties. Four of the five candidates participated, and Leagues across the district posted the recordings on their websites.

VOTER SERVICES: What Can You Do to Empower Voters and Defend Democracy in 2025?

You can help us inform voters as a Speaker, Assistant, or Scheduler. Carol Van Noy will provide training and mentoring to ensure that it is easy and fun. You would become part of the Speakers Bureau, which is a great opportunity to hone your skills and defend democracy by educating voters, at the same time.

You can also make a difference by being a Voter Registrar, Scheduler, or Postcard Addresser. Once again training and mentoring will be available. You will have the satisfaction of knowing that you are creating a community of responsible citizens.

The Board also approved a budget for the newly formed 501c3 and approved plans for an April 12 Community Event on Election Reform.
