League members are busy people. While we have a passion for our mission of empowering voters and defending democracy, many of us are stretched thin with other commitments. Believe me, I get it. You want to make a difference. You just don't have much time.

As we prepare for the 2026 elections, one action that requires minimal effort but can have substantial impact is sharing our messaging through your social networks.

When we need to promote Vote411 or notify the community about a Candidate Meet & Greet or other events, there may be no more effective method than members forwarding an email to acquaintances, discussing these initiatives with friends, or posting on Facebook or Instagram.

If you're interested in helping spread our message, simply [reply to this email](#) with "I'm in," and I'll add you to our outreach list. You'll receive occasional updates with easy-to-share messages, and I promise not to swamp your Inbox.

Please consider helping in this way. Our voice matters, and when you share our messages, it helps inform and engage voters who might not otherwise hear from us.

***** **SPREAD THE WORD** *****

Use your voice to oppose Mid-Cycle Redistricting. Join LWFVFL members across Florida in a Day of Action on October 4 to tell State Legislators how you, their constituents, feel about Mid-Cycle Redistricting in our state.

The collective power of voters is not to be underestimated!

BOARD BRIEFS

At the September Board Meeting, the Board welcomed new Communications Director, Jill Davie, discussed a recent glitch in voter registrations for people getting new driver's licenses, and made plans for meeting the goals in our 2025-26 program.
