**HAPPY 98TH BIRTHDAY  
TO  
THE LEAGUE OF WOMEN  
VOTERS!**

### From the President's Pen!

Dear Fellow League Members & Friends,

The Local League continues to grow. We welcome our new members and look forward to their involvement. There are a couple areas where we could use immediate help! Kathy Hansen of the Board has graciously stepped forward to work on the nominating committee. Our bylaws say that we need 2 non Board members. Is there anyone who will step up and assist? We need some new Board members and the committee would work together to identify these future leaders in our midst.

Those who attended our January meeting had a special treat, a visit from WFME General Manager LaFountaine Oliver. He had the exciting news of a local NPR station, WMFV 89.5, coming to our area next in mid to late February. No more sitting in the driveway to finish a story on a radio that gets the station! He asks those interested to submit a survey to help make this station unique for our area. Please [click here](#), if you would like to participate in the survey.

Are you interested in a particular area of league concern: national resources, juvenile justice, voting rights, popular vote, etc but not ready to take over a committee? I have an easy way for you to learn more about your area of interest and dip your toe into the water of involvement. Most groups have monthly conference calls. You would be on a call with people around the state and hear what is happening first hand. This is a great way to find out more about an issue without a long term commitment. Try out a call and see what happens. Please contact **Beth Hicks**, [ethicks71@gmail.com](mailto:ethicks71@gmail.com), for more information.

Thanks to our newest volunteers:

**Jeannie Hamilton – Speaker's Bureau Coordinator**

**Mary Shulz – Speaker's Bureau**

**Ellen Dugan – Voter Registration Coordinator**

**Kim Fowler – Website Checker**

**Charlene Allmen – Website Checker.**

As mentioned above, there is still a **Need** for two non board members for the 2018 Nominating Committee. Please step up and help! Our league will strengthen with many new hands. Thanks to those who stepped forward.

Thanks to those who have continued to volunteer for what needs to be done to make our league a vital force in the area.

Yours in the League,  
Beth

## Education

At the January 22 general meeting, in addition to local program planning for the coming League year, members participated in a local consensus on the League's Voluntary Pre-Kindergarten project. Results of the consensus will be discussed at the February board meeting and presented to the membership at the Annual General Meeting on Monday, March 19, at the Continental Country Club in Wildwood. In the meantime, visits are still ongoing to the various providers in the tri-county area.

If you are interested in participating in the Voluntary Pre-Kindergarten project, please contact **Susan Gold**, [susangold28@gmail.com](mailto:susangold28@gmail.com).

## Solar Power Co-op

As a result of the presentation on Solar Co-ops at our November 12, 2017 meeting, a number of attendees formed a Planning Committee to launch a co-op in The

Villages. This committee of both League and non-League members is working under the guidance of Solar United Neighbors which is a non-profit that formed its first co-op in Washington, D.C. in 2007, and now operates in eight states. It has helped nearly 2,500 homeowners install cost-effective rooftop solar panels on their homes.

The Planning Committee is not directed by our League. LWVTRI will be the first of many Community Partners the committee will be recruiting. Solar United Neighbors defines Community Partners as organizations that publicize the co-op to their members and allow the use of their logo in PR efforts.

In addition to finding Community Partners, the responsibilities of the Planning Committee are arranging a news conference with local media to launch the co-op and finding venues for public information meetings for individuals interested in going solar.

Solar United Neighbors handles all the other tasks including creating a webpage where interested individuals can join the co-op, sending members relevant emails throughout the process, presenting at the public information meetings, issuing Requests for Proposal (RFP) to solar installers, facilitating vendor selection, managing the installation, and serving as a resource to help homeowners with any issues that arise during or after installation.

If you would like more information about this committee, contact **Char Griffin**, [char.griffin@sbcglobal.net](mailto:char.griffin@sbcglobal.net).

### **Voter Service**

We continue to speak to groups, about the Constitution Revision Commission (CRC), which is in its last year of its every 20 year review of the Florida Constitution.

Our Speakers Bureau has also been making the presentation on the Restoration of Felon Voting Rights and we have been collecting signatures on a petition to place the Constitutional Amendment on the ballot. Our work, with other good government partners has paid off. The we have collected sufficient signatures to qualify for the 2018 ballot. The next step will be for the Florida Supreme Court to approve the title and language of the proposed Restoration of Felon Voting Rights Constitutional Amendment, so it can appear on the 2018 General Election Ballot.

In 2017, thanks to **Beth Hicks, Char Griffin & Carol Van Noy** we interviewed our State Senator and State Representative and reported to the State Lobbyist their responses to the League's issues. In general they were very congenial and happy to give the League their opinions. Thanks to **Janis Dorgan** and **Janet Duncan**, we also interviewed

the Department of Motor Vehicles, in each of the three counties, Lake, Sumter and Marion and found them all working hard to implement the State's Motor Voter Law.

We are now beginning to prepare for the 2018 online Voters Guide and will look forward to conducting voter registrations. Any members interested in working on the Speakers' Bureau, the 2018 Voters' Guide or Voter Registration, please contact **Carol Van Noy, Voter Services Chair, 352-633-5353 or [denny.carol@gmail.com](mailto:denny.carol@gmail.com).**
