SEPTEMBER 2025 MEETING Who Votes, Who Doesn't, and Why It Matters

SPEAKER: Char Griffin

**An exploration of the social, political, and structural factors
that influence who shows up at the polls.**

Thursday, September 11 at 2 PM

Palm Villa Room
Fruitland Park Library
604 W Berckman Street
Fruitland Park

Due to construction, parking in front of the library is limited. Overflow parking is available at the **Heritage Community Church**, 509 W Berkman St, Fruitland Park, FL. Follow signs.

In 2024, less than 64% of eligible U. S. voters cast a ballot. Since turnout is historically much lower in off-year elections, only 45% to 50% of Florida citizens are likely to vote in 2026. Can LWVTRI increase participation rates? At September's meeting we will examine why so many people don't vote and then brainstorm actions we can take to change this dismal forecast.

CO-PRESIDENT COLUMN: A New Year Begins

September marks the start of another chapter in LWVTRI's ongoing commitment to serving the central Florida community.

I hope you are as excited as I am for a year of learning, fellowship, and the satisfaction derived from making a difference. Together, we will pursue new opportunities to expand our own knowledge, build meaningful connections, and have a positive impact in the region we call home.

We encourage **you** to mark the second Thursday of each month on your calendar and become a regular participant at our meetings. Even better, **invite a friend** to join you. The more our citizens know about their government, the stronger it will become.

We also invite you to work on at least one of our projects during the 2026 elections. There is a great deal of satisfaction in knowing you made a difference in your community. To learn more about these opportunities, contact [Char Griffin](#).

APPOINTED COMMUNICATION DIRECTOR: Jill Davie

It is with the greatest pleasure that the Board announces the appointment of Jill Davie as the interim Communications Director, a Board position she will hold until the next election in May 2026. Jill joined the League three years ago and quickly started making contributions. Shortly after joining, she took on the responsibility of being one of the link testers, helping to keep our website running smoothly and free from the dreaded "page not found" errors. In addition to this essential work, Jill has served as a Speaker Bureau assistant and will soon be stepping into the role of speaker.

In addition to her volunteer work with the League, Jill is active with daily dog walking, water aerobics, bone builders, golf, Mahjong and book club.

Jill, a native of Michigan, had a career in higher education. For the last 15 years before her retirement, she served as the cooperative education manager at Kettering University. Although Jill has no children of her own she has three stepchildren along with five grandchildren and 3 great grandchildren. Please join us in thanking Jill for her willingness to serve on the Board of Directors.
