### **Co-Presidents' Corner**

With the arrival of fall, the League is ramping up activities to educate and engage our members and the general public. October 15<sup>th</sup> is the date we will launch our new evening meeting format called “Dine and Discuss.” We are committed to offering this at least quarterly, and we may increase frequency based upon interest. Our goal is to engage our working members who are unable to attend meetings during the workday and to offer a more convenient location for the growing contingent of members residing in Lake County. We will start with an informal discussion of the League and our mission and then grow the programming to feature discussions led by our own members based upon their career experiences and interests. See the meeting notice elsewhere in this edition for details on place, reservations, etc.

One of our goals is to build on the collaborations we have with other organizations. We have successfully partnered with the American Association of University Women (AAUW) on the study of Voluntary Pre-Kindergarten as well as the August Equalitea. Our organizations will join with others in an umbrella group called “Sisters of Suffrage” to plan and share events around the 100<sup>th</sup> celebration of the 19<sup>th</sup> amendment. As plans unfold, we will keep our members informed about events in which you may wish to participate.

Our Speakers' Bureau is developing a reputation in the wider community as a "go-to" group for providing quality, non-partisan information on a number of issues. Collaboration with the organizations who sponsor our speakers is vital in order to fulfill our mission of voter education. Many of the referrals to our Speakers' Bureau come through our members who are involved in a variety of organizations.

We are delighted to be invited to participate in the **Small Business Expo** sponsored by the **Southern Christian Leadership Foundation** on **October 5**. League members will speak to the importance of registering and voting. This opportunity came to us from connections made through the Sisters of Suffrage group which again demonstrate the importance of networking.

Our League is collaborating with **Beacon College** to partially sponsor a program in their **Beacon Salon Speaker Series**. Mark your calendars now for **January 22, 2020** when Kimberly Wilmot Voss will speak on "**Politicking Politely: Well-Behaved Women Making a Difference in the 1960s and 1970s.**" More details will be forthcoming as to how to register and be included in our preferred seating area. Their programs offered on a monthly basis are very informative. Learn more by visiting [BeaconCollege.edu/Salon](http://BeaconCollege.edu/Salon).

Our goals of voter education and higher participation at the polls can only be met through teamwork. Many thanks to our members and these other like-minded organizations for allowing us to advance our mission.

Yours in League,

Gail

Gail Formanack, Co-President

P.S. Don't forget to invite a friend to our October General Meeting and mark your calendars for upcoming events.

## **Voter Registration Credentials**

Just a reminder to League members, who are certified to register voters, as well as League members who would like to be certified to register voters, please note that as of **December 31, 2018**, the

certification of all voter registrars expired. League members who do voter registration for the League will need to re-certify their credentials with the State League **ASAP**. Beginning in 2017 the LWVFL instituted a 2-year cycle whereby the list of approved voter registrars would be wiped clean, requiring members to re-certify. The two-year cycle ended on 12/31/2018.

If you are interested in doing voter registration with our League, you must study the PowerPoint which is on the LWV Florida website and take the quiz, attaining a perfect score. Once you pass with 100% you will get a notification from LWVFL that you are authorized to do voter registration. To begin the certification process, please contact **Beth Hicks**, [lwvtriprez@gmail.com](mailto:lwvtriprez@gmail.com) for the password for the Member link on the state League website.

- Educating and familiarizing ourselves with the LWV Florida's priorities and actions
- Observing our local elected officials at various public meetings
- Visiting our local elected officials
- Gathering answers to our questionnaire supplied by LWVFL
- Reporting our findings to LWVFL
- Informing our members of our findings

**Your Help is Needed!**

**Speakers' Bureau:** We anticipate more speaking requests as we grow closer to the 2020 election. If you are interested in being trained and educated on the speaking topics, we would welcome more volunteers.

**Financial Review:** Our bylaws state the treasurer's records should be reviewed on an annual basis. Please consider joining a small committee to review our organization's finances. This is an ad hoc committee with a short-term commitment.

### **Natural Resources**

Following is an update from the state League Natural Resources conference call conducted by Judith Hushon on September 16th.

A letter was sent to Gov. Ron DeSantis by Patti Brigham indicating the LWV'FL's support of the resolution by the United Nations declaration on Oct. 18th, 2018 of a climate emergency.

LWVFL priorities for Natural Resources are :

- Getting a good water bill (Sen. Debbie Mayfield is reintroducing her good bill)
- Supporting full funding of Florida Forever
- Supporting legislation promoting the use of solar power & electric cars.(A way for Natural Resources and the Leagues Solar groups to work together is being reviewed.)

LWVFL is not however, ruling out other issues such as a fracking ban, or supporting climate change regulations. Good News is that 2 new projects were approved from Florida Forever funding.

Bill 7068 was signed by the Governor and is moving forward with 3 toll roads. The Sierra Club and 1000 Friends of Florida are among those filing suits. The LWV may file an amicus brief with one of these groups. Visit [www.1000friendsofflorida.org](http://www.1000friendsofflorida.org) for detailed info on this issue. There are many local Leagues in the counties affected by these roads and we will be participating .
