### **OCTOBER MEETING**

**Presentation: Kathleen Crampton: - National Popular Vote**

**Monday, October 23 - 10 am**

Fruitland Park Library  
604 W Berckman Street

We welcome our October speaker, Kathleen Crampton, who is the Chair of Floridians for National Popular Vote. The National Popular Vote Interstate Compact will guarantee the Presidency to the candidate who receives the most popular votes across all 50 states and the District of Columbia. We will learn how this state-based approach preserves the Electoral College and state control of how the President is elected.

Kathleen's presentation will include:

- Problematic outcomes with the Electoral College and the current "winner take all" laws.
- How the National Popular Vote will work when enacted.
- Current progress getting the NPV passed in the United States.

**\*\*\* Remember: Fruitland Park Library Is Our New Location \*\*\***

Use the door on the right which takes you directly into the meeting room.

The LWVTRI banner will be out front.

Do **not** use the main library door.

Our second annual community event is scheduled for Saturday, October 21. Its purpose is to give people the motivation and skills they need to spot and stop the spread of disinformation. You will be our most powerful advertising and marketing resource for spreading the word.

On Thursday, October 12 you will receive an email with the **Subject:** Fun & Informative Community Event.

### Write-In Loophole

Did you know that thousands of voters are denied the vote in many Florida Primary Elections? It is happening on a regular basis and you can make a difference.

We are asking that you write your Florida Representative and Senator and ask them to submit a Constitutional Amendment for the 2024 ballot that will eliminate the Write-In Loophole. Click [HERE](#) to learn how this loophole disenfranchises voters and what you can do to change that.

## MAKING IT HAPPEN

A big thank you to **Janis Dorgan** who has worked tirelessly to promote our Community Event. She got articles in *The Village Neighbor* magazine, the *Daily Sun*, and *Villages-News.org* as well as designing all the advertising for the event.

**Linda Carpenter** and **Kim Fowler** devoted their time and talent to create a survey that will be sent to

~~Shelley Carpenter and Kim Fowler~~ devoted their time and talent to create a survey that will be sent to all members in November. The Board will use the results to guide our strategic planning for 2024-25. We thank them now for completing this difficult project; we thank all members in advance for taking the survey when you receive it next month.

**Shelley Placito** went above and beyond writing 2,000 postcards to returning citizens, Thank you, Shelley!

Speaking of postcards: **Christine Loken-Kim** came up with the idea of testing whether sending postcards to LWVTRI members to remind them of the October 21st community event would make a difference in response rate. She personally addressed cards to half our membership. It's a test so if you don't receive one - that's because you weren't selected as part of the random sample.

## BOOK CLUB CORNER

### Caste: The Origins of Our Discontents

It has been ten years since Isabel Wilkerson penned her Pulitzer Prize winning book *The Warmth of Other Suns*, about the migration of Blacks out of the Jim Crow south. She has written a second, truly ground-breaking book. I am finding it very difficult to write an original review because it seems that every superlative in the dictionary has been used to describe this book. Click [HERE](#) to see my attempt to convey the enormity of this exceptional work and induce you to read it.
