March 2013

Volume 7 Issue 7

Spring is just around the corner, the flowers and trees are in bloom, and that can only mean one thing--the Florida Legislature is in session. Committee hearings have been underway, and much attention is being paid to ethics and election laws. On the opening day of the session, the House passed ethics and elections bills, and there is legislation pending in the Senate. The first "Capitol Report" is on the state League website, www.thefloridavoter.org, and will be posted during each week the Florida Legislature is in session. Make sure you keep up-to-date on what is going on in Tallahassee..

We hosted the supervisors of elections from Lake and Marion counties at our February meeting. Karen Krauss, the SOE from Sumter County, was unable to attend due to illness. There was much discussion about the location of early voting sites. Among locations being proposed are convention centers and fair grounds. Unlike larger counties in the state, our tri-county area does not have convention centers, and here in Sumter County, the fair ground is 30 minutes from the population center--The Villages. It is our hope that the final legislation will expand early voting sites to include recreation and community centers.

With the arrival of spring and the legislative session, comes the League's Annual Meeting. A slate of officers and directors will be presented as well as the proposed budget and program for the coming League year.

We will also be celebrating Women's History Month, and our guest speaker will be Judge Heidi Davis of the Fifth Judicial Circuit. Both the proposed slate and program are presented in this newsletter. The proposed budget will be sent to League members via email.

I look forward to seeing you at the Annual Meeting and don't forget to invite a friend!

News from LWVUS

On Wednesday February 27th, the US Supreme Court heard arguments in Shelby County V Holder. The case focused on the constitutionality of Section 5 of the Voting Rights Act (VRA) - the VRA's main enforcement

mechanism. The national League is proud to have signed onto an amicus brief to signify our support for Section 5 and to ask the Supreme Court to uphold the lower court's ruling. We are joined in this effort by the League of Women Voters of South Carolina, which has signed on to a state brief that addresses how Section 5 helped implement and clear a Voter ID law in South Carolina.

The League of Women Voters and its partners, the Inter-American Dialogue and the International Association of Women Judges, held a standing room only two-day conference - Women and the Rule of Law: A View from the Americas - highlighting the important role women judges play in promoting and advancing the rights of women in the Americas. The group met with U.S. Supreme Court Justice Ruth Bader Ginsburg on the afternoon of February 26th - the day prior to the Court's historic hearings on the Voting Rights Act.
