SPEAKERS BUREAU: Educating voters about public policy issues and helping them make informed choices at the ballot box is central to the League's mission. The Speakers Bureau is key to achieving this end. You can help by giving the PowerPoint presentation, or by assisting the speaker (e.g., setting up equipment, noting questions requiring further research.) The PPTs are created by the Florida LWV, and we provide the training. Most requests for speakers occur between September and May. During the pandemic, many presentations have been over Zoom.
