Vote

Decide whether you want to vote in person or vote-by-mail.

- If you want to vote-by-mail, request a VBM ballot from your Supervisor of Elections website. (See list above.) VBM requests expire and must be renewed every 2 years. Request your VBM ballot as early as possible. When you receive your ballot, complete it immediately and put it in the mail or an SOE drop box.
- If you want to vote in person, decide whether you want to vote during your county's early voting days or on election day. Dates, times, and locations can be found on your Supervisor of Elections website or on LWVTRIFL.org in the months preceding elections.
